Intro

E F#m D A
E F#m D

Verse

E **F#m**
Lately I ve been slipping down

D **A**
Thinking I m the only one

E **F#m** **D** **A**
Drifting in and out of blue

E **F#m**
Destiny s a state of mind

D **A**
And today I m doing fine

E **F#m** **D** **A**
Rolling through the afternoon with you

Chorus

E **F#m** **D** **A**
And it s a widescreen world around me

E **F#m** **D** **A**
And I m lying on the back seat of my mind

E **F#m** **D** **A**
And it s a widescreen you beside me

E **F#m** **D** **A**
We re just riding on the back seat feeling fine

Verse

E **F#m**
I will be your misfit queen

D **A**
Take you where the grass is green

E **F#m** **D** **A**
Past the littered sidewalk to the sun

E **F#m**
I hear the traffic move outside

D **A**
Yeah, but if I close my eyes

E **F#m** **D** **A**
I can make it sound like waves rolling in

Chorus

E **F#m** **D** **A**
And it s a widescreen world around me

E **F#m** **D** **A**
And I m lying on the back seat of my mind

E **F#m** **D** **A**
And it s a widescreen you beside me

E **F#m** **D** **A**
We re just riding on the back seat feeling fine

Bridge

F#m **D** **A**
And if you lie still can you feel the room

E **F#m**
Can you feel the city can you feel it move

D **A**
Can you tell your body, your body from mine

E
Can you la la la lie

Repeat bridge
