

You Left Me A Song

Heather Nova

A really easy one to play, just three main chords and you're away!

Intro

C G F G

Verse

C

Out of the glitter and the shine

G

Out of the corner of my eye

F

Saw you walk in I froze the frame

G

My luck again

C

We could have been strangers if we tried

G

Move to the rhythm side by side

F

Maybe a glance across the room

G

Blue moon

Chorus

C

G

Why do the hours burn so long

F

G

Sunset and shadows call

C

G

I hear the music playing on

F

G

I know you're gone but you, you left me a song

Verse

C

Under the skylight after dark

G

Crept in to find you, what a lark

F

We were like children stripping down

G

The joy we found

C

But even the lights that turn me on

G

Make it so hard to see beyond

F

Make it a rainbow in my mind

G

This borrowed time

Chorus

C **G** **F** **G** **C**

Oh you left me...you left me a song

Repeat Chorus
