lyrics fom [www.lyricsreg.com](http://www.lyricsreg.com)

Watched Heathers playing this and these are the chords they use. Hopefully they re right.

Strum pattern is down for intro,verse 1 and first half of bridge.

Play around with the strumming pattern for verse 2 etc. Its quite easy. :)

Verse:

**A5**

They told me that

**E**

When I was younger

**Bsus2**

Lying leaves you blind

**C#m**

And don t leave anyone behind

**A5**

And all those things

**E**

That make you stronger

**Bsus2**

Will have you lying on the floor

**C#m**

Think you can take it

Any more

So

[CHORUS]

**A5** **E** **Bsus2** **C#m**

It s all right not to feel ok

**A5** **E** **Bsus2** **C#m**

It s all right not to feel ok

Verse 2:

**A5**

They told me that when

**E**

I get older

**Bsus2**

That there ll be less time

**C#m**

To prepare and room for someone

**A5**

To compare and now the ache

**E**

Is getting colder

**Bsus2**

And I can see it in your face

**C#m**

No wish to settle in this place

[CHORUS]

**A5** **E** **Bsus2** **C#m**

It s all right not to feel ok

**A5** **E** **Bsus2** **C#m**

It s all right not to feel ok

Bridge:

**A5** **E**

And I promise I m here when you need me

**Bsus2** **C#m**

Some people tell you that you just get up and grow up

**A5** **E**

Forget it, forgive what youâ€™re hearing

**Bsus2** **C#m**

Some people just don t understand what it like to fall

**A5** **E** **Bsus2** **C#m** (x4)

So don t fall x 4

Verse 1 again:

They told me that

When I was younger

Lying leaves you blind

And don t leave anyone behind

And don t lose sight of whatâ€™s

To live for

Because thereâ€™s truth

In what they say it s all right not to feel OK

**A5** **E** **Bsus2** **C#m**

It s all right not to feel ok

It s all right not to feel ok

It s all right not to feel ok

It s all right not to feel ok
