

Plainclothes Man
Heatmiser

Verse 1:

Am

You re everybody s second home

Am/B

Always trying to get me alone

C **D** **F**

An easy way to lose it all

Always selling all else fails

Am strum **D**, then **F**

Over by the west side rails

Verse 2:

_Am

But I don t really need that now

Am/B

I never really did anyhow

C **D** **F**

I only really needed alcohol

Something that ll treat me okay

Am strum **D, F, Fm**

And wouldn t say the things you say

Bridge:

Fm **E** **D**

Please turn out the light! I get a sick confusion

Am

headache trying to figure out who s right

Verse 3:

Dreaming on the silver strand

Am/B

Waking up your plainclothes man

C **D** **F**

You little bastard, little boy in blue

Someone s gonna get to you

Am strum **D, F**

And f*** up everything you do

Verse 4:

Am

Unhappy inside (?)

Am/B

He s serious with everyone

C **D** **F**

And thinks he ll win you with his angry kiss

Acting like he has no needs

Am strum **D, F, G, D**
Wanting you to watch him bleed

Chorus:

C **G** **F** **C**
Made for each other, bet you pay me any mind
G **D** **F**
Just goes to show my continual decline
C **G** **F** **C**
They say that I ll recover my love of her once in a while
Dm **Fm**
But I don t know, I don t think so

Verse 5:

Am
There s something that I ll tell you now
Am/B
Now that no one else is around
C **D** **F**
The sort of lesson that I learned from you
Not quite the way you planned
Am strum **D** then **F**
But I know you ll understand

Verse 6:

Am
Someone takes a photograph
Am/B
A picture while their sweetheart laughs
C **D** **F**
A perfect moment in a flash of light
counted back to 301
Am strum **D, F**
That s exactly what you ve done

Bridge:

Fm **E** **D**
And I m so unsurprised, I remember
I remember why I dream in black and white

Strum **C, G, F, C**

Chorus:

G **D** **F**
Goes to show my continual decline
C **G** **F** **C**
They say that I ll recover my love of her once in a while
Dm **Fm**
But I don t know, I don t think so

Ending (I think):

Am D Fm Am
