

**Best Days Of My Life Acoustic
Heavens Gate**

Am **C** **G**
Save us from all these fairytales
Am **F**
we re livin in a land of fantasies
Am **C** **G**
give us all those dreams and hopes
Am **F** **G**
together we could find a way to be free

[CHORUS:]

Am **G**
Put your heart into the fire
F **C** **G**
an eternal flame is waiting for you
Am **G**
put your heart into the fire
F **C** **G**
the only one that lives in my view
F **G** **Am**
believing in the best days of my life

Am **G** **Am**
The days are passin by and I m driftin
C **G**
through empty rooms
Am **G**
the rain keeps fallin down, livin in sorrow
Am **G** **Am**
I waited for so long to get an answer
C **G**
you know it s true
Am **G**
and when the night comes down I wait for tomorrow

[BRIDGE:]

F **G**
I know why you had gone away
E **Am**
escaping from my heart
F
the chains of love
G **E**
were tearing us apart

[CHORUS]

A single word could change all the feelings
