Intro: **G - Em - Am - D**

G

i don t know how to be good to you

Em

you re too close and you know it too

Am

nobody has a good enough excuse

D

i m just fucked up and so are you

G

i love you so much you could hurt me

Em

so i do it first so you won t see me

Am

laugh it off and i don t feel it

D

hard as rocks and nails underneath

G

hardly anyone is sincere

Em

all i know is anger that is real

Am

i barely know how true goodness feels

D

i don t even know how to feel

G

i know i built walls around

Em

i m begging you to knock them down

Am

but yours are just as big and mean as mine

D

tight defenses and we draw the line

F#m

G

if you want to go just go

just go just go just go

F#m

D

and i ll watch you walk away

F#

G

if you want to go just go

just go just go just go

F#m **D**
and i ll watch you walk away

F#m **G**
i ll die if you go
just go just go just go

F#m **D**
and i ll watch you walk away

Em
stop everything

D
stop all of these fucked up games

Em
oh oh promise me we ll be good to each other

D
promise me i need it signed sealed and delivered

Em
stop everything

D
or my heart will break

Em
my pride isn t worth it

D
help me this is hurting

F#m **G**
if you want to go just go
just go just go just go

F#m **D**
and i ll watch you walk away

F#m **G**
i ll die if you go
just go just go just go

F#m **D**
and i ll watch you walk away

Em
super girl

D
she isn t real

Em
i thought i could fly alone

D
but i can t even get off the ground

G
i don t know what else to say

Em
i don t want to push you away

Am
and i need your help today

D

i can t get off the ground today
