Intro: **A - F#m - Bm - E**

A

i don t know how to be good to you

F#m

you re too close and you know it too

Bm

nobody has a good enough excuse

E

i m just fucked up and so are you

A

i love you so much you could hurt me

F#m

so i do it first so you won t see me

Bm

laugh it off and i don t feel it

E

hard as rocks and nails underneath

A

hardly anyone is sincere

F#m

all i know is anger that is real

Bm

i barely know how true goodness feels

E

i don t even know how to feel

A

i know i built walls around

F#m

i m begging you to knock them down

Bm

but yours are just as big and mean as mine

E

tight defenses and we draw the line

G#m

A

if you want to go just go

just go just go just go

G#m

E

and i ll watch you walk away

G#

A

if you want to go just go

just go just go just go

G#m **E**
and i ll watch you walk away

G#m **A**
i ll die if you go
just go just go just go

G#m **E**
and i ll watch you walk away

F#m
stop everything

E
stop all of these fucked up games

F#m
oh oh promise me we ll be good to each other

E
promise me i need it signed sealed and delivered

F#m
stop everything

E
or my heart will break

F#m
my pride isn t worth it

E
help me this is hurting

G#m **A**
if you want to go just go
just go just go just go

G#m **E**
and i ll watch you walk away

G#m **A**
i ll die if you go
just go just go just go

G#m **E**
and i ll watch you walk away

F#m
super girl

E
she isn t real

F#m
i thought i could fly alone

E
but i can t even get off the ground

A
i don t know what else to say

F#m
i don t want to push you away

Bm
and i need your help today

E

i can t get off the ground today
