

9 Shades Of Red Hedley

9 SHADES OF RED-HEDLEY
capo: 0

G **Em**
where did I go so wrong
C
singing the same sad song
D
sittin home all alone saying woe is me
G
la la la la la la la

Em
so now i m callin all of my friends
C
and this is where the fun begins
D
what would it to take to afford a little break from the boredom little
ha ha ha ha

C **D** **G** **Em**
holler back for a planned attack on this unsuspecting town
C **D**
we may be looking pretty but we make an awful sound

[Chorus]

G **Em**
it s you and it s me and that s all we ll ever need
C **D**
and yeah we ll tear up the streets and we ll dance until we bleed
G **Em**
and then we ll sleep when we re dead cause we ll take over this town
C **D** **G**
and paint it 9 shades of red getting down is what we re up to tonight

G **Em**
and now security is having a fit
C
cause nobody is giving us shit
D
and as the party gets cloudy yeah we start to get rowdy
G

screamin rah rah rah rah rah

Em

and if we gotta deal with the cops

C

try to shut us up and say the fun stops

D

yeah we gotta keep grooving while your mouth keeps moving mr blah blah blah blah

C

D

G

Em

holler back for a planned attack on this unsuspecting town

D

G

and paint it 9 shades of red getting down is what we re up to tonight

Em

C

so now were gonna get up and shout

G

until everybody kicks us out

D

or till the lights come on and all the fights go on

Em

its everything that we re all about

C

so now were gonna get up and shout

G

until everybody kicks us out

D

or till the lights come on and all the fights go on

G

its what we re all about

G

Em

it s you and it s me and that s all we ll ever need
