F#m E D

So hold back your tears this time

## I Do Wanna Love You Hedley

Artist:Hedley Album: The Show Must Go, Us Version Song: I do, Wanna Love you When you play the chords, play the bass note, and then strum the rest of the I m not sure about the Bridge part, so if you have any suggestions, or just some comments, send me an e-mail. philidash@hotmail.com HEDLEY ROCKS Capo 1 [Verse 1:) Е I see it in the way you would do F#m C#m When no one else could ever get through Holding back til I come around Time and time again you wait for me to comin And did you really look my way? There s not a lot of love these days I would never ever let you down D If I was running back working full time [Pre-Chorus:] D A D So I can and I will and you ll see your hero come running DAE Over and over tonight [Chorus:] D A Е And I do wanna love you If you see me running back D A And I do wanna try F#m Because if falling for you girl is crazy Then I m going out of my mind

```
[Verse 2:]
Me, I m used to being tired and bloody
          C#m
But you believed that I could be somebody
You put your world on hold for me
Gave away to follow, feel you through the fire
[Pre-Chorus:]
D A D
So I can and I will and you ll see your hero come running
DAE
Over and over tonight
[Chorus:]
   D A
         E
And I do wanna love you
If you see me running back
   D A
          E
And I do wanna try
 F#m
        E
Because if falling for you girl is crazy
Then I m going out of my mind
  F#m E D
So hold back your tears this time
[Bridge:]
F#m
    Α
What if I never let you down
            Α
And said sorry for the nights I can t remember
What if I never said to you I would try
[Chorus:]
   D A
          E
And I do wanna love you
If you see me running back
   D A
          E
And I do wanna try
Because if falling for you girl is crazy
Then I m going out of my mind
  F#m E D
So hold back your tears this time
```

```
[Repeat Chorus]
[Outro:]
A D F#m E
time, time, time, time, time, time, time,
A
this time
A D F#m E
time, time, time, time, time, time, time,
A
this time
```
