

**I Wont Let You Go Darling**  
**Hedley**

This is more of an acoustic interpretation of the song. If you re playing along to the recording, you may encounter some errors. But if you re jamming alone or performing, it ll sound awesome! Enjoy!

Long steady road, oh travel, be kind.

I m searching for some peace of mind.

The home that you know, a home left behind.

**Em D/F# Cadd9**

Oh trouble, don t trouble this time.

**G D/F#**

And baby don t look back, odds don t stack,

**Em Cadd9**

they just crumble down, around you.

**G**

You gotta go away if you wanna come back.

**D/F# Em Cadd9**

I won t crack; I can t make a sound without you.

**Em D/F# Cadd9 G**
