Capo on the First Fret (F#Major)

Bb **F**
Took a long hard look, at my life.
Dm **C**
Lost my way, while I was fighting the tide.
Bb **F**
A big black cloud, stormy sky.
Dm **C**
Followed me, while I was living a lie.
Bb **F**
So heartless, so selfish, so in darkness, when all your nights are
Dm
Starless,
C
You re running outta hope.
Bb **F** **Dm**
But I found the strength inside to see, found the better part of me,
C
And I ll never let it go.
Bb
I ve come a long, long way,
F
Made a lot of mistakes,
Dm **C**
But I m breathin, breathin, that s right and I mean it, mean it.
Bb **F**
This time I m a little run down, I ve been living out loud.
Dm **C**
I could beat it, beat it, that s right, cause I m feelin, feelin,

Invincible.

Woah-oh-oh-oh

Dm **C**

When you re gone for days, on your own.

Tear your heart out just to find your way home.

Bb **F**
I ve been so high, I ve sunk so low.

Dm **C**
I ve come so far, with nothing to show, for it.

Bb **F**
Mistaken, I got so good at taking,

Dm
But now I m tired of faking.

C
This story s getting old.

Bb **F** **Dm**
So I found the strength inside to see, from the better part of me,

C
And I ll never let it go.

Bb
I ve come a long, long way,

F
Made a lot of mistakes,

Dm **C**
But I m breathin, breathin, that s right and I mean it, mean it.

Bb **F**
This time I m a little run down, I ve been living out loud.

I could beat it, beat it, that s right, cause I m feelin, feelin,

Invincible.

Woah-oh-oh-oh

F
Woah-oh-oh-oh

Dm **C**
Woah-oh-oh-oh

Invincible.

Bb
I m not the only one,

F **Dm** **C**
To crash into the sun, and live to fight another day.

Bb **F**
Like a super nova, that old life is over.

I m here to stay.

C

Now I m gonna be,

Invincible.
