And as long as I can feel you holding on
F **G**
I won't fall, even if you said I was wrong

[Chorus]

C **Am**
I'm not perfect, but I keep trying
F **C** **G**
Cause that's what I said I would do from the start
Am
I'm not alive if I'm lonely

So please don't leave
C **G**
Was it something I said or was it just my personality
