

Stormy
Hedley

Capo 3rd fret

Versel

Am

Wind blow rain fall

Em

We faced it all

C

there s still some use in trying

G

hands up , heads down

Am

Baby if you think there s no way out

Em

Somewhere the sun s still shinning

C

Dark skies tell no lies

G

Like your stormy eyes

Am

If it s cold tonight

Em

I m here now

C

It s stormy out,so baby let me in

G

I can help I know I can

Am

Together we are never gonna fall

Em

It`s stormy now but the sun`s gonna shine again

C

Even the worst storm`s gotta end

G

We`re better if we weather it all (yeah)

Am

Together we are never gonna fall

C

Boom, Crash all night

G

You scream we fight

Am

These words they strike like lightning

Em

Dark skies tell no lies

C

Like you`re stormy eyes

G

If it`s cold tonight

Am

I`m here now

chorus x2

Am

Together we are never gonna fall

Em

It`s stormy now

C

When you break down,when you can`t take it all

G

When you`re slamming your fist against the wall

Am

Thunder can sound so frighning
