Stormy Hedley Capo 3rd fret Versel Am Wind blow rain fall Em We faced it all С there s still some use in trying G hands up , heads down Am Baby if you think there s no way out Em Somewhere the sun s still shinning C Dark skies tell no lies G Like your stormy eyes Am If it s cold tonight Em I m here now C It s stormy out, so baby let me in G I can help I know I can Am Together we are never gonna fall  $\mathbf{Em}$ It's stormy now but the sun's gonna shine again С Even the worst storm`s gotta end G We`re better if we weather it all (yeah) Am Together we are never gonna fall С Boom, Crash all night G You scream we fight Am These words they strike like lightning Em Dark skies tell no lies C Like you`re stormy eyes G

If it`s cold tonight
Am
I`m here now
chorus x2
Am
Together we are never gonna fall
Em
It`s stormy now
C
When you break down,when you can`t take it all
G
When you`re slamming your fist against the wall
Am
Thunder can sound so frighning
