The Greedy Ugly People (written by Darren Hayman)

G **D**
I had her on the carpet twisting and turning about
Am
Trying to guess what she needs
Em
Trying to guess what the fuss was about
G **D**
She had a conscience that surely did need pricking
Am
I was there for the picking
Em
As she would soon find out
G **D**
The greedy ugly people are not like us
Am
They don t feel the love
Em
That she and I would die without
G **D**
The greedy ugly people are not like us
Am
They don t feel the love
Em
That she and I would die without
G **D**
I had her on a chair in the middle of the living room
Am
Then we went to the bedroom
Em
Where we were making spoons
G **D**
When we went out she started clicking her heels
Am
She started sticking her chest out
Em
Cause she was starting to feel
G **D**
The greedy ugly people are not like us
Am
They don t feel the love
Em
That she and I would die without
G **D**
The greedy ugly people are not like us
Am

They don t feel the love

Em

That she and I would die without
