I Love Only You Hefner E A E A E In the 1980s I was busy hating C#m All of the intangible, the impossibly impractical ideas A E I d never understand. E E A E Е And in the 1990s, A E It was far too exciting for words C#m And now I m drinking adult drinks and now I have the time too think That sex was so overrated. Е A E E A (hold) Who gave you the right to bruise my little heart? You tore it right apart, I was saving it for art. You knew just what to do, so who gave you the clue, I love no-one else, I love only you. Е E Α \mathbf{E} A E We will capture all of London, On disposable cameras, These sights were here before we were born, They ll be here when we re dead but they ll remember,

```
They re touched by our lives. f E

Oh we ll burn all their retinas,

E A E

With our patience and our tolerance,

В

Oh, we ll spew and moan, we ll kick and scream,

But we ll know exactly what we mean,

E A E

Exactly what we mean.

Oh where d you learn the knack, was it skill or was it luck,

B A

You pulled me into pieces and now I m truly fucked.

E E

Don t want to be alone, I m useless on my own
