Nothing Lasts

Are you still thinking of the girl you left behind
C **Fmaj7** **C** **Fmaj7**
are your thoughts and dreams still within your mind
C **Fmaj7** **Em** **Fmaj7**
as I lay beside you are you thinking of the times
C **Fmaj7** **C**
you lay beside her dreaming of the future you will find
Em **F** **C** **Fmaj7**
but nothing ganders nothing will remain
Em **F** **C** **Fmaj7**
life is like a flowing stream of change
C **Fmaj7** **C** **Fmaj7**
forget the past nothing lasts

C Fmaj7

C **Fmaj7** **C** **Fmaj7**
I found a poem that was written by your hand
C **Fmaj7** **C** **Fmaj7**
it spoke all loneliness and yes I can understand
C **Fmaj7** **Em** **Fmaj7**
for now I m left alone your many miles away
C **Fmaj7** **C**
I know you had to leave but yet I wished you had stayed
Em **F** **C** **Fmaj7**
but nothing ganders nothing will remain
Em **F** **C** **Fmaj7**
life is like a flowing stream of change
C **Fmaj7** **C** **Fmaj7**
forget the past nothing lasts

C Fmaj7

C **Fmaj7** **C** **Fmaj7**
I never told you but I wish I could travel by your side
C **Fmaj7** **C** **Fmaj7**
we never spoke but was it that we try to hide
C **Fmaj7** **Em** **Fmaj7**
but now your gone perhaps I see you once again
C **Fmaj7** **C**
but I ll hide my tears if you tell me that I m just a friend
