

**24 Years Webb Ellis**

**Heimlich Manouvre In The Park**

24 Years (Webb Ellis)- A parody of Living Next Door To Alice  
Heimlich Manouvre in the Park  
Arrangement- Seth

(WARNING- slight coarse language)

**A**  
Helen Clark called, when she got the word,

**D**  
And she said, I suppose you ve heard ,

**E**                    **A**  
About Webb Ellis,

**A**  
We pulled a few strings,

And put forward our case,

**D**  
You should ve seen the look on Trevor Mellard s face,

**E**                    **A**  
When the IRB said, Webb Ellis is yours,

Chorus:

**A**  
Oh, I don t know how we did it,

It should ve been Japan,

**D**  
I guess they have their reasons but I just don t give a damn,

**E**  
Cause for 24 years,

**A**  
We ve been trying to get our hands on Webb Ellis,

**A**  
Ellis, where the f\*\*k s Webb Ellis?

**A**  
24 years, waiting for the chance,

**D**  
We re thrashing everbody the we go and lose to France,

**E**

Now we re strolling back home,

**A**

We ll surely get our hands on Webb Ellis,

**A**

In 91, we went down in a heap,

**D**

We tried to come easy,

**E**

But that fail s a creep!

**A**

Oh, Webb Ellis was gone

**A**

In 95, we saw Jonah smash Kat,

**D**

But a burger from Susie put an end to all that,

**E**

And a kick from Joe Stransky,

**D**

Took Webb Ellis away,

Chorus:

**A**

Now, I know we may sound manic,

And really quite a bore,

**D**

But the pain of always failing s just as bad as bruise and sore,

**E**

For 24 years, we ve been trying to get our hands on Webb Ellis,

**A**

**A**

Ellis, where the f\*\*k s Webb Ellis?

**A**

24 years, waiting for the chance,

**D**

We re thrashing everybody then we go and lose to France,

**E**

Now we re strolling back home,

**D**

We ll surely get our hands on Webb Ellis,

**A**  
In 99 we got a few bad calls,  
**D**  
Then the frogs got hold of our balls,  
**E**  
Ahahahaha! Au revoir, Webb Ellis

**A**  
03 in Australia was a bit of a shock,  
**D**  
When Carlos passed to that ball git what lock,  
**E**  
And Georgie said,  
N.C.  
Ya got 4 more years, mate

Chorus:

**A**  
And then we had 07,  
  
It turned into a fuss,  
**D**  
When that blind, phoney bastard didn't see that forward pass,  
**E** **A**  
And for 24 years, we still haven't seen Webb Ellis,

**A**  
Ellis, where the f\*\*k's Webb Ellis?

**A**  
24 years, waiting for the chance,  
**D**  
We're thrashing everybody then we go and lose to France,  
**E**  
Now it's coming back home,  
**A**  
We'll surely get our hands on Webb Ellis,

**A** **D** **E** **A**  
Now we'll never get used to not getting our hands on Webb Ellis

NOTE-

The lyrics may not be very accurate as I wrote them down by ear.

Enjoy Playing.
