

## Keep On Singing

Helen Reddy

**C**

I don't remember mama

**Dm**

She died when I was born

**G**                    **G7**

We lived in a one room shanty

**F**                    **C**

But daddy tried to make it a home

**C**

When I was only six years old

**Dm**

I started singing in the streets

**G**                    **G7**

People would throw me pennies

**F**                    **C**

So I could daddy make ends meet

And they'd say

CHORUS 1:

**C**

Keep on singing

Don't stop singing

**Dm**

You're gonna be a star someday

**G**                    **G7**

You're gonna make a lot of people happy

**F**                    **C**

When they come to hear you play

**C**

They said keep on singing

Keep the bells all ringing

**Dm**

Spread the music from town to town

**G**                    **G7**

There's not enough love in this old world

**F**                    **C**

So spread your song around

By the time I was 10 years old

I had a little rock n roll band

Daddy's eyes were growing dim

But I didn't understand

He would be so proud of me

Each time he'd hear me play

At night he d pull me to his side  
And daddy would always say  
He d say to

CHORUS 1

We didn t have much money  
But things didn t seem so bad  
I felt just like the queen of the world  
When I was with my dad  
Then one rainy April night  
Daddy called me to his side  
He held me with his tremblin hands  
And just before he died  
He said

CHORUS 1

CHORUS 2 :

So I ll just  
Keep on singing  
I won t stop singing  
I m gonna be a star someday  
I m gonna make a lot of people happy  
When they come to hear me play  
I ll just keep on singin  
Keep the bells all ringin  
Spread the music from town to town  
There s not enough love in this whole world  
So I ll spread my song around

CHORUS 2
