[Verse]

Am **G** **C** **Am**
I walked around this great village
 G **F** **Am**
Where the eyes of man could see the joy
 G **C** **Am**
Desire luck where life is pretty
 G **F**
But I could feel the horror in your face

{CHORUS}

Am
Down around the ground
 G **C** **Am**
can you really feel why I turned into this man?
 G **F** **Am**
When you look at my eyes you will understand it
 G **C** **Am**
Iâ€™ve found millions of lies in all the words you have pronounced

We were walking towards the sound that we made **Am/F/Am//E5/F5/C5**
