TRAGEDY - Hell or Highwater

E-mail: a7xlucas@live.com

Tuning: standard (EADGBE)

Chords used: **Em Am B D G**

Great song, should be near 100% correct. It was hard to differentiate some Em chords from Am. Try Cmaj7 instead of C in some spots too if you want

C

Tragedy

G

Am

Why'd you come and find me

C

G

Em

Everything was going fine without you here

C

You take from me

G

Am

Everything I've ever loved

C

And you threw it all away

G

Damn you tragedy

Em

Go away

B Em B Em B Em B

Em

C

G

Look to the skies to find your only friends

Em

C

G

All the ones you thought would stand beside you in the end

Em

C

G

Fragile only is the rose

Em

C

G

That wilts away before it has the chance to grow

C

G

How long are we here for?

Em

C

G

I guess we'll never know

[CHORUS:]

C

Tragedy

G **Am**
Why d you come and find me
C **G** **Em**
Everything was going fine without you here

B Em B Em B Em D let ring

Em **C** **G**
Open your eyes with hope that fate will give a second chance
Em **C** **G**
In the same blink the final breath just slipped right through your hands
Em **C** **G**
And I hate the moments
Em **C** **G**
Between living life and losing it
Em **C** **G**
It s all the same when you leave us here to live without you
C **G**
How long are we here for?
Em **C** **G**
I guess we ll never know
C **B**
Where d you go?
Am **C**
Seems like I m always searching
G **B**
For you now
Em **C** **G**
We cannot fall and breath again!
