B F# G#m
Bam bam bam... x 2

B F# G#m
And suddenly, I donâ€™t feel fat anymore
B F# G#m
I dont count my blackheads as a hobby
E F# B E G#m
I dont count the marks on the wall
B F# B
And I dont sleep well at all

B F# G#m
There is someone else right beside me
B F# G#m
He kept every secret I told
E F# B E G#m
He giggled his way straight through fall
B F# B
And I dont sleep well at all

B F# G#m
Bam bam bam... x 3
B F# E G#m E G#m
Bam bam bam...

G#m F# G#m E
I have seen too many movies
G#m F# G#m E
I have read too many books
G#m F# G#m E
Im the kind that sees sun and brings an umbrella
G#m F# G#m E
I have been to fortune tellers

B F# G#m
He knows when Im happy and nods when Iâ€™m sad
B F# G#m

And he puts out when I come home drunk

E F# B E G#m

And suddenly I stand real tall

B F# B

But I dont sleep well at all

B F# G#m

And I know love will leave you all crooked

B F# G#m

And I know heâ€™ll start sleeping around

E F# B E G#m

Or start listening to symphony rock

B F# G#m F#

Or throw out the key and change the lock

B F# B

But I dont sleep well at all
