

San Francisco
Hello Saferide

G2= 355433

[Verse]

C F Am
Winter s been real long this year
G
I know, cause I ve been there
C F Am
Summer never seemed to come along
G C
and when it did, it felt all wrong
F Am G C
You ve been sitting on the sidewalks wondering what went wrong with your life
F Am G
You ve been walking to your bedside table and in the top drawer was a knife

[Bridge]

F G2 F G2 F
Time to take your sweetheart by the hand and lead him to the Promised Land
G2 F G2
The only place in North America not destroyed by the government

[Refrain]

C F G2
San Francisco! You re going
C F G2
San Francisco! We re going
C F G2 C
Don t you know you ll never ever want to turn back

[Verse]

C F Am
I have news for you my friend:
G C
I m sticking by you until the end
F Am G C
Doctor s ordering you the same prescription, see, that worked wonders for me
F Am G C
I sat by myself in bars, I was driven home in state-owned cars
F Am G
I was filled with so much hate until I saw the Golden Gate

[Bridge]

F G2 F G2 F
Until my sweetheart took me by the hand and led me to the Promised Land
G2 F G2

Don t you know you ll never ever want to turn back
