

Her In These Lights
Hello Stranger

Hello Stranger " Her In These Lights

E G#m

Back then when we were young

B

Who thought this day would ever come

A

After all this time

E G#m

Some dreams are coming true

B

Some of us just can't get through

A

After all this time

G#m F#m

And all my friends

C#m F#m

Are trying to reach some end

Trying to pretend

A

That we're alright now

B

I see her in these lights

B

As the city ignites

Em Bm D C

G Bm

There you and I are standing still

D

The years dissolving into stronger will

C

After all this time

G Bm

Everything we've torn apart

D

We built back with stronger hearts

C

After all this time

Em Am

So afraid

Em Am

Of how long I've made you stay

C

The choices weâ€™ve made

G

But in the end dear

D

Who cares who didnâ€™t write

If only we have survived

E G#m

Things that seem so far away

B

Are getting closer every day

A

After all this time

E G#m

All I want when this is done

B

To say I tried say we had fun

A

After all this time

G#m F#m

What we find

G#m F#m

In some way some peace of mind

A

All of the time

E

Its always been right here

B

Nothing will be the same

If we keep playing the game
