Here's how it goes
Am **F**
you've been mean, up and down but maybe this time,

[Chorus]

Am **F**
I'm not gonna make you stay

but you can't escape my love.

[Verse 2]

F **Am**

F **C**
it's so hard just to forget the past.
F **Am** **F**
so that's the end of what's good to make you feel
