If You Wanna I Might
hellogoodbye
Intro: C G Am F
Verse 1:
You take a seat right next to me
And I take my Lit notes nervously
I ve gotta stay calm, I just want you to stay
I am always daydreaming
Hoping you ve dreamt of the same thing
I ve gotta stay calm, I don t want this to change
Verse 2:
I ve been assuming everything
Hoping you d soon mean everything
I ve gotta stay calm, I want this to be real
I don t think you re into me
And truly, that s okay with me
      Αm
I ve gotta stay calm and find out how you feel
Refrain:
But if you wanna say I- I- I like you
And I might feel just like you
And if you choose- choose not to
             Fsus
I knew- knew you would
Chorus:
Sometimes I think I am out of my league and then
```

F - Fsus

```
Sometimes I think I can dream
Sometimes I wish I could be the one fish that you
                          F - Fsus
Choose out of all in the sea
(Repeat Intro)
Verse 3:
We are non-existant
But I ll try to be persistent
      Am
I ve gotta keep on if I wanna be close to you
I don t think you re interested
I m probably just some stupid kid
I could give up if you would want me to
Refrain:
But if you wanna say I- I- I like you
And I might feel just like you
And if you choose- choose not to
              Fsus
I knew- knew you would
Chorus:
Sometimes I think I am out of my league and then
                          F - Fsus
Sometimes I think I can dream
Sometimes I wish I could be the one fish that you
                          F - Fsus
Choose out of all in the sea
Coda: (strum lightly)
Sometimes I think I am out of my league and then
