

The Thoughts That Give Me The Creeps  
hellogoodbye

**E** **G#m**  
I woke up tired with you laying old  
**E** **G#m**  
And I wondered why my bed was cold  
**E**  
And I thought could you have gone  
**G#m** **A**  
And if so what went wrong  
**E**  
And why would I let you go?  
**G#m** **A**  
Why would I ever let you go?

**A** **B** **C#m** **E**  
Sometimes love can turn a heart, yes it s lonely  
**A** **B** **C#m** **E**  
Sometimes I wake up old and all alone

**A** **B** **C#m**  
Oh no, what if I never knew your name  
**E** **A**  
Oh my God, that s insane  
**B** **C#m**  
What if you love is not the same  
**E** **A**  
As it seems inside my brain  
**B** **C#m**  
What if you re not really in my sheets  
**E**  
Oh, Oh, Oh  
**A** **B** **E**  
Just the thought gives me the creeps

**E** **G#m**  
I woke up young in lovers love  
**E** **G#m**  
And I felt my luck , and I felt your touch  
**E**  
And my skin it wondered how  
**G#m** **A**  
And my skin it wondered how  
**E**  
Cause you d be touching me right now  
**G#m** **A**  
When in sleep you can t be found

**A** **B** **C#m** **E**

Somehow , something has carried our love through the years

**A** **B** **C#m** **E**  
Some how I still carry on but in my fears

**A** **B** **C#m**

**B** **C#m**  
What if you love is not the same
