

Two Weeks In Hawaii  
hellogoodbye

Yay, My Second tab! Vote high please, I think it sounds great! (:

Capo three! =)

**C** **G** **Am**  
You ve got your airplane

**C**  
And I ve got the plain air of here

**G** **Am**  
You re gone and I ve gone insane

**C**  
Oh when will you reappear

**G** **Am**  
I m just some new kid

**C**  
Who can t get his mind off of you

**G** **Am**  
And I know that it s stupid

**C** **G** **Am**  
Cause you ve got Hawaii

**C**  
And I ve gotten no letters from you

**G** **Am**  
I should stop whining

**C**  
Cause its only been a day or two...

**G** **Am**  
I don t know what you did

**C**  
But you got me to fall for you

**G** **Am**  
I know its stupid

**Am** **C** **G**  
Your families rad and I

**Am** **C**  
Wish that they were here today

**G** **Am**  
But they re thousands and thousands of miles away

**Am** **C** **G**  
I felt so bad when your mom

**Am** **C**  
Caught us eating ice cream in your

**G** **Am**  
Room at three in the morning

C G  
Cause id hate for her  
Am C G  
Am  
To not want me around her daughter cause my heart stops everytime  
C G Am  
You ve got Polaroid  
C  
And you even know how to rhyme  
G Am  
Id be overjoyed  
C  
If we could just hang out sometime  
G Am  
I don t know what you did  
C  
But you got me to fall for you  
G Am  
And I know that its stupid  
Am C G  
Your drawing s rad and I  
Am C  
Put in on my wall and I made  
G Am C  
Sure it wouldnt t fall cause if it did  
Am C G  
My straw wrapper might tear  
Am C  
And there would be no knot and I would  
G Am C  
Feel like id been shot right through the heart  
G Am  
And id fall apart but id remember how  
C G Am  
My heart stops everytime  
C G Am  
You are so special  
C  
I just hope that we can be friends  
G Am  
I ll wait forever  
C  
But I guess that it all depends  
G Am  
On you and yours  
C  
So come on and dance with me  
G Am  
Cause you are so special

**Am**                                    **C**                                    **G**  
I hope that this makes you smile  
**Am**                                    **C**                                    **G**  
And you might stay that way for a while  
**Am**                                    **C**                                    **G**  
Cause you deserve every grin that you get  
**Am**                                    **C**  
And you ll get em a lot from me  
**G**  
Uh ho, uh ho

**C**    **G**                    **Am**  
You are so special  
  
I just hope that we can be friends                    **C**  
                  **G**                    **Am**  
I ll wait forever  
  
But I guess that it all depends                    **C**  
                  **G**                    **Am**  
On you and yours  
  
So come on and dance with me                    **C**  
                  **G**                    **Am**  
Cause you are so special  
                  **C**                    **E**                    **Am**  
And my heart stops everytime
