

**Hold Me In Your Arms  
Halloween**

Standard Tuning

Intro (after slow piano bit): **Am F G F (x2)**

**Am F G F**  
I need your guarding hand to guide me through the sand of time  
**Am F G F Dm**  
Then I know, I ll be alright like a child that never cries  
**Am G Dm**  
I m aware of all your rules but you know that I will run  
**Am G**  
No matter where I ll follow you don t make me go

**Am F**  
Take me, take me  
**C G**  
Hold me in your arms  
**Am F**  
Save me, save me  
**C G**  
All I need is your love

**Am F G F**  
Maybe you will leave the light on While I walk into your dream  
**Am F G F Dm**  
I can t remember where you came from (see) the breadcrumbs in the snow  
**Am G Dm**  
I m aware of all your rules but you know that I will run  
**Am G**  
No matter where I ll follow you, don t make me go

**Am F**  
Take me, take me  
**C G**  
Hold me in your arms  
**Am F**  
Save me, save me  
**C G**  
All I need is your love (x2)

Bridge:

**Am Dm C Dm G F Am G (x2)**

**Am**            **F**  
Take me, take me  
**C**                    **G**  
Hold me in your arms  
**Am**            **F**  
Save me, save me  
**C**                    **G**  
All I need is your love

**Am**            **F**  
Wake me, wake me  
**C**                    **G**  
Hold me in your arms  
                  **Am**                    **F**  
Don t break me, don t break me  
                  **C**                                    **G**  
I just need a place in your heart

**Am**            **F**  
Take me, take me (please take me)  
**C**                    **G**  
Hold me in your arms (hold me in your arms)  
**Am**            **F**  
Save me, save me  
**C**                    **G**  
All I need is your love

**Am F C G** (x2)  
**Am F G F**

**Am**                    **F**                                    **G**  
I need your guarding hand, my bride  
                  **F**                                    **Am**  
Til the end of my whole life
