Letra

From our lives beginning on
 We are pushed in little forms
 No one asks us how we like to be
 In school they teach you what to think
 But everyone says different things
 But they re all convinced that

They re the ones to see

Bridge:

So they keep talking and they never stop
And at a certain point you give it up
So the only thing that s left to think is this

Chorus:

I want out--to live my life alone
I want out--leave me be
I want out--to do things on my own
I want out--to live my life and to be free

People tell me A and B
They tell me how I have to see
Things that I have seen already clear
So they push me then from side to side
They re pushing me from black to white
They re pushing til there s nothing more to hear

Bridge:

But don t push me to the maximum
Shut your mouth and take it home
Cause I decide the way things gonna be

Chorus:

I want out--to live my life alone
I want out--leave me be
I want out--to do things on my own
I want out--to live my life and to be free

There s a million ways to see the things in life
A million ways to be the fool
In the end of it, none of us is right
Sometimes we need to be alone

(Solo: Kai/Both)

No no no, leave me alone

Chorus:

I want out--to live my life alone
I want out--leave me be
I want out--to do things on my own
I want out--to live my life and to be free
