Something On My Mind - written by Tim Butler
from Helmet & Thomson s debut album - Tits, Arse and Muff

INTRO **G C G Am**

G C
i m just sittin here on my own

G
I don t wanna be alone

Am
i really need someone tonight

G
and only u can make it right

G C
id tell u straight just how i feel

G
its not fake our loves for real

Am
i need u ill make it clear

G
not complete without you here

CHORUS

G C
theres something on my mind im not sure what

G
i can t explain just what ive got

Am
don t wanna be here i wanna be home

G
wish u d call me on the phone

G C
every day you re on my mind

G
the only one i need to find

Am
can t let go no looking back

G
until the train comes off the track

G C
When there s nothing left to say

G

i think of me and you one day

Am

there is no wrong there is no right

G

don t believe i ve lost the fight

CHORUS

SOLO

G C

We all live under the sky

G

we all live and we all die

Am

you re all i see, you re all i do

G

I m gonna give my heart to you
