

All That Im Good For
Hem

All that I m Good For (MessÃ©)

(Capo 1)

(G/F# = 200033)

G G/F# E
leave my station where i stood
G G/F# E
to lay for a while with you
D A
i got shadows snapping at my tail
E A
who say i m no damn good
G G/F# E
but that s just halfway true
G G/F# E
all that i m good for is you

you know i play with all those strays
prowling outside your door
it s the scraps of love you throw my way
that have got me on all fours
it s only fair you knew
all that i m good for is you

D
but i ll leave it behind
A
to lay down with you
E
i ll stop running wild
D A G G/F# E
and doing what i used to do

my whole wide world is out of hand
so crooked it leaves me cryin
but your love is straight is narrow and
it s keeping me in line
this love will see me through
all that i m good for is you

all i ll leave it behind
to lay down with you
i ll stop running wild
and doing what i used to do
all that i m good for is you
