

## Half Acre

Hem

Half Acre - Hem

Standard Tuning

Bb: xx3331

C                    G            F  
I am holding half an acre  
C                    G            F  
Torn from the map of Michigan  
C                    G            F  
And folded in this scrap of paper  
Dm            F  
Is the land I grew in  
  
C                    G                    F  
Think of every town you ve lived in  
C                    G            F  
Every room you lay your head  
C                    G            F  
And what is it that you remember  
  
Bb            F            C            Am  
Do you carry every sadness with you  
Bb            F            C            Am  
Every hour your heart was broken  
Bb            F            C            Am  
Every night the fear and darkness  
Dm            F  
Lay down with you  
  
C                    G                    F  
A man is walking on the highway  
C                    G            F  
A woman stares out at the sea  
C                    G                    F  
And light is only now just breaking  
  
Bb            F            C            Am  
So we carry every sadness with us  
Bb            F            C            Am  
Every hour our hearts were broken  
Bb            F            C            Am  
Every night the fear and darkness  
Dm            F  
Lay down with us

**C**                      **G**              **F**  
But I am holding half an acre  
**C**                      **G**              **F**  
Torn from the map of Michigan  
**C**                      **G**              **F**  
I am carrying this scrap of paper

**Bb**              **F**              **C**              **Am**  
That can crack the darkest sky wide open  
**Bb**              **F**              **C**              **Am**  
Every burden taken from me  
**Bb**              **F**              **C**              **Am**  
Every night my heart unfolding  
**Dm**              **F**  
My home
