Half Acre - Hem

Standard Tuning

B: xx3331

C# **G#** **F#**
I am holding half an acre
C# **G#** **F#**
Torn from the map of Michigan
 C# **G#** **F#**
And folded in this scrap of paper
 Ebm **F#**
Is the land I grew in

C# **G#** **F#**
Think of every town you ve lived in
C# **G#** **F#**
Every room you lay your head
 C# **G#** **F#**
And what is it that you remember

B **F#** **C#** **Bbm**
Do you carry every sadness with you
B **F#** **C#** **Bbm**
Every hour your heart was broken
B **F#** **C#** **Bbm**
Every night the fear and darkness
Ebm **F#**
Lay down with you

C# **G#** **F#**
A man is walking on the highway
 C# **G#** **F#**
A woman stares out at the sea
 C# **G#** **F#**
And light is only now just breaking

B **F#** **C#** **Bbm**
So we carry every sadness with us
B **F#** **C#** **Bbm**
Every hour our hearts were broken
B **F#** **C#** **Bbm**
Every night the fear and darkness
Ebm **F#**
Lay down with us

C# **G#** **F#**
But I am holding half an acre
C# **G#** **F#**
Torn from the map of Michigan
 C# **G#** **F#**
I am carrying this scrap of paper

B **F#** **C#** **Bbm**
That can crack the darkest sky wide open
B **F#** **C#** **Bbm**
Every burden taken from me
B **F#** **C#** **Bbm**
Every night my heart unfolding
Ebm **F#**
My home
