Lazy Eye (Messé/Maurer)

(Deceptively complicated this one - Corrections by Thomas Hinton. Thanks T!)

(Ab7/**Gb** = xx1112)
(C/**G** = 332010)
(C11/**G** = 333333)
(F/**A** = x03211)
(C/**E** = 032010)

```
     C      E7          Am          Ab7/Gb
there s a lazy eye that looks at you
      C/G  G7   C
and sees you the same as before
     C      E7          Am          Ab7/Gb
when you lay beside me every night
        C/G          G7 C
though now you are with me no more

C11/G             F/A        C/G
i can still see the hem of your dress
         F              C/E     F
and the comb as it s parting your hair
        C         F          G
and the person i held is still there in my
C     E7          Am          Ab7/Gb
lazy eye that looks at you
      C/G          G7         C
and sees you the same as before
```
