

All Things Good
Henry Wolfe

All Things Good by Henry Wolfe

D **Bm** **F#m**
Look out ma the fields are full of fire
G **D** **A**
If we donâ€™t hit the road were gonna burn
D **Bm** **F#m**
And maybe I will never love another
G **D** **A** **A7**
But if I never try I canâ€™t be sure
D **Bm** **F#m**
And youâ€™ll always remind me of all things good
D **Bm** **F#m**
Yeah youâ€™ll remind me of all things good

D **Bm** **F#m**
Late last night I wandered through a graveyard
G **D** **A** **A7**
Searching for the one that got away
D **Bm** **F#m**
We swore that we would always be together
G **D** **A** **A7**
But in the end we went our separate ways
D **Bm** **F#m**
And youâ€™ll always remind me of all things good
D **Bm** **F#m**
Yeah youâ€™ll remind me of all things good

G **D** **F#m** **Bm**
And all those other girls they mean nothing trust me
G **A**
Youâ€™re the only one for me if you love someone
Solo **D Bm F#m G A**
baby set them free alright
D **Bm** **F#m**
Donâ€™t buy in to tales of those who prospered
G **D** **A** **A7**
In the end they donâ€™t mean a thing
D **Bm** **F#m**
And youâ€™ll always remind me of all things good
D **Bm** **F#m**
Yeah youâ€™ll remind me of all things good
D **Bm** **F#m**
Yeah youâ€™ll always remind me of all things good
D **Bm** **F#m**
Yeah youâ€™ll remind me of all things good
G **D** **F#m** **Bm**

And all those other girls, they mean nothing trust me

G A D

Youâ€™re the only one for me
