[Verse]
You breaking my heart
    C
I can't call it a felony
It was just a boy meets girl story
            C
Not bubblegum and not that serious.
             G
Baby what is this thing
You call love?
We're too young
          C
To know what love is.
[Chorus]
         Em
Your crime, my crime
It's not that major
         Em
Let's call it a misdemeanor
           Dm G
We can still walk away baby.
             G
When I walked away
You watched me leave
         G
I had to look back
   C G
You were still staring at me.
[Bridge]
          Em
You were everything
Dm G
```

Everything in the world

Em

Am

```
Every night I only
Dm G
Dream of you with me.
[Chorus]
         Em
Your crime, my crime
It's not that major
Let's call it a misdemeanor
Am Dm
We can still walk away baby.
С
No more playing games
          C
Baby I still have feelings
So do you my friend
F C
I never want to hurt you again.
[Outro]
           Em
Your crime, my crime
F G
Itâ€™s not that major
Let's call it a misdemeanor
Am Dm G
We can still walk away baby.
G C
