

**Jezebel**

**Herman's Hermits**

[Intro]

**B**                    **C**                    **B**  
**B**   **A**   **B**   **A**   **B**   **A**   **B**   **A**

[Verse 1]

**B**                                    **A**                    **B**                                    **A**                                    **B**   **C**                    **B**  
**A** **B**

If ever a devil was born without a pair of horns, It was you, Jezebel, it was you

**B**                                    **A**   **B**                                    **A**                                    **B**   **C**                    **B**                                    **A** **B**  
If ever a pair of eyes promised paradise, It was you, Jezebel, it was you

[Chorus]

**E**                                    **D**                                    **E**                                    **D**                                    **E**                                    **D**                                    **C**  
**B**

If ever a devil s plan was made to torment man, Decieving me, Grieving me, Leaving me blue

**B**                                    **A** **B**  
Jezebel, it was you

[Verse 2]

**B**                                    **A**                    **B**                                    **A**                                    **B**   **C**                    **B**  
**A** **B**

If ever a devil was born without a pair of horns, It was you, Jezebel, it was you

**B**                                    **A**   **B**                                    **A**                                    **B**   **C**                    **B**                                    **A** **B**  
If ever a pair of eyes promised paradise, It was you, Jezebel, it was you

[Chorus]

**E**                                    **D**                                    **E**                                    **D**                                    **E**                                    **D**                                    **C**  
**B**

If ever a devil s plan was made to torment man, Decieving me, Grieving me, Leaving me blue

**B**  
Jezebel, it was you

[Bridge]

**B**                    **C**                    **B**                    **C**                                    **B**  
Me better had I never known a lover such as you  
**B**                    **C**                                    **D**                                    **B**  
Forsaking dreams and dawn for the silent scorn of your charms  
**D**                                    **C** **D** **C** **B**  
Jezebee-ee-ee-ee-ee-ee-ee-ee-ee-ee!

[Chorus]

**E**                                    **D**                                    **E**                                    **D**                                    **E**                                    **D**                                    **C**  
**B**

If ever a devil s plan was made to torment man, Decieving me, Grieving me,  
Leaving me blue

**B**            **A B**

Jezebel, it was you

[Outro]

**A**            **B**            **C**            **D**            **B**

Night and day, Every way, Oh Jezebel, Jezebel

N.C. **B**   **A**   **B**   **A**   **B**

Jezebeeeeeeeeeeeeeeeel!
