

**To Travels And Trunks**  
**Hey Marseilles**

Song: To Travels and Trunks  
Artist: Hey Marseilles  
Album: To Travels and Trunks

Capo I, Standard Tuning

Chords relative to capo

**E**

Lucy and I came from Tallahassee

**A**

With our bones on our backs

Our backs on our knees

**E**

She was small, I was straight

**A**

We left our love in a bed ridden gate for shame

**E**

**A**

Why can t you see the sky isn t green anymore

**E**

**A**

Why don t you know what I need on these shores

**F#m**

**A**

**E**

All I want is love eternally

**A**

With your heart facing me

**E A E A**

**E**

Science says stones don t fly through water

**A**

And souls don t matter if you love your mother

**E**

If karma could dance, she d tango forever

**A**

And I d sell my sleeves for some cloud ridden weather

**E**

**A**

Why can t you see heaven won t wait for us

**E**

**A**

Salutations and prayers are to labor us

**F#m**

**A**

**E**

All I want is love eternally

With your heart facing me

**E A E A**
