```

                D9                D
You re the direction I follow
                C9
To get home
                D9                D
When I feel like I can t go on
                C9
You tell me to go

                D9                D
And it s like I can t feel a thing
                C9
Without you around
                D9                D
And don t mind me if I get weak in the knees
                C9
Cause you have that effect on me

You do

D                D9
Everything you say
A                Em
Everytime we kiss I can t think straight
                G
But I m ok
                D                D9                A
And I can t think of anybody else
                Em                G
```

Who I hate to miss as much as I hate missing you

(Riff 2)

D9 D C9
Months are going strong now, and all goodbye
D9 D C9
Unconditional, unoriginal, always by my side
D9 D
Meant to be together, meant for no one but each other
C9
You love me, I love you harder, so

D D9
Everything you say
A Em
Everytime we kiss I can t think straight
G
But I m ok
D D9 A
And I can t think of anybody else
Em G
Who I hate to miss as much as I hate missing you

So please, give me your hand
(Riff 1 - 3x Riff 2)
So please, give me your lesson on how to steal
Em
Steal a heart, as fast as you stole mine
G (D D9 C9)
As you stole mine

D D9
Everything you say
A Em
Everytime we kiss I can t think straight
G
But I m ok
D D9 A
And I can t think of anybody else
Em G
Who I hate to miss as much as I hate missing you

So please, give me your hand (Riff 1)
So please, just take my hand (Riff 2)
