

Arizona

Hey Monday

C#m

It took two days

B A

for me to figure out

E

This isn't working out

B/Eb

but I lost my way

C#m

I drove all night

B A

just to be with you

E

But you weren't worth that view

B/Eb

you I gotta hit the brakes

A

B

Now you know get up and go

Refrão:

E B

Arizona Arizona

C#m

A car wreck on

A

the highway

E

Now you're burning by

B

A

the side of the road

E

B

Arizona Arizona

C#m

There's a million

A

miles to Florida

E

Now your history

B

I'm stranded

A

Get me out

I'm going home

C#m B A E B/Eb

C#m

Deep in your soul

B A

lies a lonely heart

E

That only ever comes

B/Eb

for you alone

C#m

And i cant relate so i

B A

gotta leave you here

E

I can breathe without you

B/Eb

dear just start walking away

A

B

Now you know get up and go

(repete o refrão)

ponte:

C#m E

Tell me how does that feel

B

With the Grand Canyon

F#m C#m

Screaming at you Tell

E

me how does that feel

F#m A

To see me when you go by

C#m

It took two days

A

for me to figure out

E

This isnt working out

B/Eb

I gotta hit the brakes
