Homecoming, Iâ€™m coming
D          A
My sweet mistake
Em          G          D          A
Summerâ€™s over, hope itâ€™s not too late
Em          G
Iâ€™m pacing, impatient
D          A
Up in my head
Em          G          D          A
Taken back to the sidewalk where we met

          Em    G
And carved out our names

```

Do you remember that?

Em

G

Iâ€™m coming home, Iâ€™m coming home

Did you take off while I was gone?

Em

G

Em

G

D

A

If Iâ€™m falling, falling apart for you

Descending, Iâ€™m spinning

Lost all defense

How could you swallow me again?

I left you, I meant to

Couldnâ€™t let you in

Never mind a single word I said

Carve out your name

Do you remember that?

Iâ€™m coming home, Iâ€™m coming home

Did you take off while I was gone?

I missed it all, I messed you up, I missed you.

Iâ€™m coming home, I wanna know

When all the leaves begin to fall

If Iâ€™m falling, falling apart

Youâ€™ve got control of me

Is this the end of me?

â€˜Cause I just canâ€™t cut up the strings

Iâ€™m coming back for more

Donâ€™t let your heart go

Please donâ€™t walk away

Homecoming, Iâ€™m coming, Iâ€™m coming back

Iâ€™m coming home, Iâ€™m coming home

Did you take off while I was gone?

I missed it all, I messed you up, I missed you

Iâ€™m coming home, I wanna know

When all the leaves begin to fall

If Iâ€™m falling, falling apart

Iâ€™m coming home, Iâ€™m coming home

Did you take off while I was gone?

I missed it all, I messed you up, I missed you.
