Em          G
Homecoming, I m coming
D          A
My sweet mistake
Em          G          D          A
Summer s over, hope it s not too late
Em          G
I m pacing, impatient

Up in my head
Em          G          D          A
Taken back to the sidewalk where we met
          A
And carved out our names
          C
Do you remember that?

          Em          G
I m coming home, I m coming home
          D          A
Did you take off while I was gone?
          Em          G
I missed it all, I messed you up,
          D          A
I missed you
          Em          G
I m coming home, I wanna know
```

When all the leaves begin to fall
 Em G D A
If I m falling, falling apart for you
