```
Em          G
Homecoming, I m coming
D          A
My sweet mistake
Em          G          D          A
Summer s over, hope it s not too late
Em          G
I m pacing, impatient
D          A
Up in my head
Em          G          D          A
Taken back to the sidewalk where we met
          A
And carved out our names
          C
Do you remember that?

          Em          G
I m coming home, I m coming home
          D          A
Did you take off while I was gone?
          Em          G
I missed it all, I messed you up,
          D          A
I missed you
          Em          G
I m coming home, I wanna know
```

When all the leaves begin to fall
If I m falling, falling apart for you

Riff 1 (2x)

Descending, I m spinning
Lost all defense
How could you swallow me again?
I left you, I meant to
Couldn t let you in
Never mind a single word I said
Carve out your name
Do you remember that?

I m coming home, I m coming home
Did you take off while I was gone?
I missed it all, I messed you up,
I missed you
I m coming home, I wanna know
When all the leaves begin to fall
If I m falling, falling apart

You ve got control of me
Is this the end of me?
Â Cause I just can t cut up the strings
I m coming back for more
Don t let your heart go

Please don t walk away
Homecoming, I m coming, I m coming back
