

Reckoning

Hey Rosetta!

Em / Bm7/ Em / Bm7/

Em / Bm7

Stone sits above the house

Em / C / G / Bm

That s why I m out.

Em / Bm7

To feel the heat of the weekend.

Em / C / G / Bm

Dry my hands on the poison pipes.

Em / Bm7

Weave home to the lightning.

Em / C / G / Bm

Long hands through the reckoning clouds

Am

Reaching down

G / D

Oh and when I die

G / D / Dm / C

Will I have to watch my life

Am / G / D

Make the same mistakes

G / D / Dm / C / Bm

Act the same drunk disgrace

Em / Bm7

I would like to see it backwards

Em / C / G / Bm

Slip back to that happy kid.

Em / Bm7

All the crap I collected

Em / C / G / Bm

Put it back into the weary earth

Em / Bm7

Every anger melted

Em / C / G / Bm

Every scar back to perfect skin

Am

See the bombs ascend.

Dm / C / G

See your daddy come home

C / G / Gm / F

With no messy dreams no methadone

Dm / C / G

To hear the speeches fail

C / G / Gm / F

The hatred slowly go in pails

Interlude:

Em / Am / A7 / Dm / F / C /

Em / Am / A7 / Dm / F / C /

Em / Bm / Em / Bm7 / Am /

C / G / Bm / Em /

Am / G / D

Feel it empty out

G / D / Dm / C

Every crooked truth and crippling doubt

Am / G / D

Watch my body curl

G / D / Dm / C

into the promise of a swollen girl.

Am / G / D

And then I will gasp of love

G / D / Dm / C

The fun and young and innocent

Bm / Em
