

Welcome

Hey Rosetta!

Basic chords and lyrics to follow along. New single just released on HR s official website today [1/13/2011]. Enjoy

A

You ll be a bright light

D

Coming out of the dark

F#m

While the doctors

C# D

blinking hard

A

You ll be lightning

D

Coming out of the storm

F#m C# D

it s a message, it s a miracle

B5 C#5 D5

You ll do alright

B5 C#5 D5

You ve got your mother s eyes

B5 C#5 D5

You ve got your daddy s hands

D5

Everything you need

A

For this hard ride

D

They ll be strapping you on

F#m C#

All the ups and downs

D

And you can t get off

A

Yeah it s trouble

D

We re handing off

F#m C# D

And you gotta do better than us

B5 C#5 D

It ll be alright

B5 C#5 D

You got lots of time

B5 C#5 D

You got your daddy s love

B5

Everything you want

A

I can feel you

D

and What you re gonna be

F#m C# D

you ll be stronger, you ll be smarter than me

A D

Oh baby I ll say it again

F#m C# D

You re the most incredible thing

A

Sorry this is it

E

It s cold and hard and badly lit

Bm D

and there s no backing out of it

A

So forget where you ve been

E

It ll never be that good again

Bm D

We must only look ahead

A

Soon you re thirty-three

E

And everything you ve tried to be

Bm D

Was pulled apart by fear and greed

A

But y____[?] has built you up

E

And carved your face in honest rock

Bm D

With sunlight on your noble jaw

A

But y____[?] has built you up

E

I m happy that you ve come along

Bm D

I m happy that you ve come

D D

I m happy that you ve come

[solo] **A, D, F#m, C#, D**

A D

Oh baby, I ll say it again,

D

I ll say it again

F#m

I ll say it again

C# D

You re the most incredible thing
