[Verse 1]

```

          E
Puppet on a string
          G
I can t control myself
          Em          Bm
Can t control myself with you
          E
I crawl out of my skin
          G
Things I ll tell no one else
          Em          Bm
Things I ll show no one else but you
```

[Pre-Chorus]

```

          E          G
Every door is open but my toy box
          Em          Bm
And now I ve started I cannot stop
          E          G          Em          Bm
Puppet on a string, like I don t know myself, I only know myself with you
```

[Chorus]

```

          E          G          Em          Bm
Take my pure, and wash it all away, wash it all away some more
          E          G          Em          D
Take my pure and wash it all away, wash it all away till I m cured
          E G Em Bm
Take my pure
```
