And when you wish upon a star
           Dm
Wonder and dream
       Cm
            Bb
                            F
Make a wish be anything you want to be
        G#
When you wish
        G#
When you wish
        G#
When you wish
When you wish upon a star
  G#
A ship that sails from place to place
An astronaut from outer space
  G#
                                         Eb
A seed, a tree, a flower that grows and grows
                   F Fm
I wonder what I ll be today
                 Вb
Come with us and dream away
G#
                Вb
When you wish upon a star
            Dm

When you wish
        G#
When you wish
        Вb
                     Eb
When you wish upon a star
A unicorn with wings of gold
A dinosaur from times of old
A wizard with a magic wand who looks like me
                  F Fm
I wonder what I ll be today
Come with us and dream away
