Wish Upon A Star
Hi-5

```
B              C#
When you wish upon a star
F#          Fm
Wonder and dream
       Ebm      C#
Make a wish be anything
    B               C#
And when you wish upon a star
F#          Fm
Wonder and dream
       Ebm      C#           G#
Make a wish be anything you want to be
         B
When you wish
         B
When you wish
         B
When you wish
       C#            F#
When you wish upon a star

  B
A ship that sails from place to place
    F#
An astronaut from outer space
  B                             F#
A seed, a tree, a flower that grows and grows

                 G# G#m
I wonder what I ll be today
               C#
Come with us and dream away

B              C#
When you wish upon a star
F#          Fm
Wonder and dream
       Ebm      C#
Make a wish be anything
    B               C#
And when you wish upon a star
F#          Fm
Wonder and dream
       Ebm      C#           G#
Make a wish be anything you want to be
         B
When you wish
```

```
          B
When you wish
          B
When you wish
          C#              F#
When you wish upon a star

   B
A unicorn with wings of gold
   F#
A dinosaur from times of old
   B                                    F#
A wizard with a magic wand who looks like me

                        G# G#m
I wonder what I ll be today
                    C#
Come with us and dream away

B                C#
When you wish upon a star
F#           Fm
Wonder and dream
        Ebm       C#
Make a wish be anything
     B                C#
And when you wish upon a star
F#           Fm
Wonder and dream
        Ebm       C#              G#
Make a wish be anything you want to be
            B
When you wish
            B
When you wish
            B
When you wish
          C#              F#
When you wish upon a star

    Ebm
The world is full of wonders
        C#
There s nothing you can t do
B
Anything is possible
    G#m              C#
When you believe in you

B                C#
When you wish upon a star
F#           Fm
Wonder and dream
```

```
        Ebm       C#
Make a wish be anything
     B              C#
And when you wish upon a star
F#            Fm
Wonder and dream
        Ebm      C#            G#
Make a wish be anything you want to be
          B
When you wish
          B
When you wish
          B
When you wish
          B
When you wish
          B
When you wish
          B
When you wish
          B
When you wish
          C#              F#
When you wish upon a star
          B
When you wish
          B
When you wish
          B
When you wish
          C#              F#
When you wish upon a star
```
