Verse 1:

G **Dsus3**
It s 6 a.m., open roads and open skies under this wyoming sunrise
G **Em** **Em+M7** **Am7**
a close encounter with the emptiness and nothingness 21 years out on
Dsus4 **G** **Em** **Em+M7**
the run from our small hometowns you could hear a whisper in the wind
Am7 **Dsus4** **G** **Em**
filling me with confidence sacrifice from the headlights
Em+M7 **Am7** **Dsus4**
it made it clear it opened up my eyes and it opened up my mind

Chorus:

Am7 **G/B** **C9**
Holding on forever to these dreams we made together i m never gonna let them die
Am7
I couldn t bare the sight, not a word spoken living in the moment
G/B **C9** **G--Em-Em+M7--Am7--Dsus4**
we re broken down but we re not broken it will be alright

Verse 2:

G **Em** **Em+M7** **Am7**
Dsus4
The world lied awake as the haze burned away coz the wheel seemed to turn on its
own
G **Em** **Em+M7** **Am7**
way toward the horizons golden so sunrise i m holding-----on to you
Dsus4 **G** **Em**
Em+M7
lift me up, drop me down through the sounds and i ll float across the coasts,

the unknowns
